Dear LOVNISH

**Request for more information for a Skilled Work Regional
(Provisional) (subclass 491) visa application**

We need more information to help us assess your application.

The attached checklist tells you what we need you to give us for each applicant.

When do you need to give us the information

You have 28 days starting on the day after we emailed this request to give us the information we have asked for.

How should you provide the information

Attach all documents to your application through ImmiAccount.

Take clear colour scans or photos of the documents. If the document is more than one page, save it as a single file. All text must be visible.

You do not need to get documents certified if you attach them through ImmiAccount.

Our website has instructions on how to use ImmiAccount to attach your documents:
www.homeaffairs.gov.au/immiaccount

When we have received your documents, they will show as 'Received' in ImmiAccount. We will not send you any other confirmation.

Do not email or post us another copy of any document you have attached to your application in ImmiAccount unless we specifically ask for it.

If you did not submit your application through ImmiAccount

You can still provide your documents through ImmiAccount if you submitted a paper application or if someone else submitted your application online for you.

Follow these steps:

1. Create your own ImmiAccount.
2. Import your application. Our website has instructions on how to do this:
www.homeaffairs.gov.au/immiaccount
3. Attach your documents.

Do not provide fraudulent information

Do not provide fraudulent documents or make false claims. If you do:

- we may refuse your application
- it might affect any applications you make in the future.

Documents in languages other than English

If your document is in another language, have it translated into English. Provide copies of both the translated document and the document in the original language.

Translators in Australia must be accredited by the National Accreditation Authority for Translators and Interpreters (www.naati.com.au).

Translators outside Australia do not have to be accredited. But on each translation, they must include their:

- full name
- address and telephone number
- qualifications and experience in the language they are translating.

These details must be in English.

What happens if you do not provide the information in time

If you do not send us the information we need within the time we have given you, we can decide the application with the information we have at that time without asking you again.

If you need to get the information from another organisation, you must:

- ask them for it before the due date
- attach evidence that you have asked them for it to your application in ImmiAccount.

When you get the information, attach it to your application in ImmiAccount as soon as you can.

If you cannot give us the information on time for some other reason, attach a letter to your application in ImmiAccount explaining the reason. We might let you have more time to give us the information if you cannot get it to us on time for reasons beyond your control.

How we protect your information and privacy

Your personal information is protected by Australian law, including the *Privacy Act 1988*.

Details of how we use your information are available on our website
www.homeaffairs.gov.au/privacy

Tell us if things change while you are waiting for a decision

Tell us about any changes in your circumstances as soon as possible. This includes changes:

- to your name, passport, contact details or address
- to your family members
- that might affect answers you gave in your application.

Our website has information about how to tell us about these changes:

immi.homeaffairs.gov.au/change-in-situation

Let us know if you have made a mistake

If you gave us incorrect or incomplete information in your application, let us know using *Notification of Incorrect Answer(s)* form. This is available from the Update details page of your application in ImmiAccount.

You can also use this form if you have accidentally attached the wrong document to your application.

Log in to your ImmiAccount at <https://online.immi.gov.au>

Let us know if you want to withdraw your application

If you decide not to proceed with your application, you can withdraw it. Our website has information about how to withdraw your application: immi.homeaffairs.gov.au/change-in-situation/withdraw-visa-application

Yours sincerely
