| New Partner (subclass 820) application: | Received          |

| Bridging A visa:                        | <b>Not active</b> |

**When will my Bridging visa become active?**

This Bridging A visa will only become active if your current visa ends before your new application has been finalised. This Bridging visa allows you to stay lawfully in Australia while your Partner (subclass 820) application is being processed.

**Planning to travel?**

This Bridging visa will end if you leave Australia.

If you plan to leave Australia while on a Bridging visa, you will need to apply for a Bridging visa B (BVB): [www.homeaffairs.gov.au/BVB](http://www.homeaffairs.gov.au/BVB)

You will need to be granted a Bridging visa B before you depart Australia. A Bridging visa B allows you to leave and return to Australia while your Partner (subclass 820) application is being processed.

**When does my Bridging visa end?**

If your application is granted, your Bridging visa will end and your new visa will become active.

If your application is invalid, refused, withdrawn or has an outcome from a merits review decision, your Bridging visa will end after a specified period of time.
